**Subject:** WaterGen Amendment

Hi All,

Ardra sent me the Skype message below:

hi Sarah sorry to bother you while you're in a meeting. WaterGen wants us to update NDA MTA because they've had their Israeli CEO added to the signature line. How do we handle amendments? Should I ask Laura Scalise?

I believe when we received that huge file from WaterGen last month there were 3 agreements in it, including an NDA and MTA. We decided to use the NDA and MTA signed 11-1 17 and it was ready to go.

Ro – can you please check to see that there was indeed an MTA and NDA in that file and if so send them to us as separate agreements? I think we can just have the lab resign instead of doing an amendment for each.

Thoughts?

Sarah
